**Permit Approvals:** All permits must be picked up within thirty (30) days.

**Expirations & Invalid Permits:** All permits expire in 12 months from date of issue. Every permit issued shall become invalid unless the work on the site authorized by such permit is commenced within one hundred eighty (180) days after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of 180 days after the work is commenced.

**Additional Permits:** If the project requires electrical, plumbing or mechanical work, a separate additional permit will be required for each trade.

**Duration & Extensions of Permits & Fee:** Construction must be started as early as possible after the permit is issued to allow for completion of construction within One (1) year from date of issue, after that time the permit shall expire. If after 12 months, the work is not complete, the building official is authorized to grant, in writing, once or more extensions of time, for periods not more than ninety (90) days each if reasonable cause for allowing an extension has been demonstrated by the permit holder and an extension fee in the amount of **\$50** has been paid.

**Contractors/Sub-Contractors Registration:** All Electrical, Plumbing and Mechanical Contractors must register with the Town of Horizon City. A copy of the "Master's License" will be kept on file. Contractors without registration will be denied permits and/or inspections.

**Double Fees:** For work commencing before permit issuance.
